ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on June 17, 2008. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter requiring attention prior to docketing.

On October 17, 2006, Appellants filed an Amendment after final. The advisory Action entered November 6, 2006 indicated that this amendment will be entered for purpose of Appeal. However, the examiner wrote the statement “Do Not Enter” on the amendment itself. Clarification of the entry status of the amendment is required. The Examiner shall notify the appellant, in writing, of whether or not the amendment filed October 17, 2006 is or is not entered.

**CONCLUSION**

Accordingly, it is

ORDERED that the application is returned to the Examiner to:

- 1) clarification of whether there is or is not to be entry of the amendment filed October 17, 2006, and for notification to appellants in writing of the action taken; and
- 2) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
